

REQUEST FOR QUALIFICATIONS NO. 2623-08

**FROM
PROFESSIONAL ASSESSMENT ENGINEERING FIRMS
FOR THE**

Truckee River Flood Project Funding Area Boundaries and Rate Study

**TRUCKEE RIVER FLOOD MANAGEMENT DEPARTMENT
WASHOE COUNTY**

Addendum No. 1

Released Friday, November 02, 2007

**Sealed Qualifications must be received at the office of the Washoe County Purchasing
Department, 1001 E. Ninth Street, Bldg. C, Rm. C200, Reno NV 89512-2845
by the close of business on Thursday, November 15, 2007.**

Respondents shall be advised of the following changes to the Request for Qualifications:

The date for receipt of sealed qualification proposals shall be extended to the close of business, 5:00 p.m. PST, on Thursday, November 15, 2007.

Section IV. Calendar of Events shall be tentatively adjusted as follows:

- ❑ Nov 15 - Statement of Qualifications due
- ❑ Nov 27 Complete initial ranking of firms"
- ❑ Dec 5 and 6 Oral Presentations
- ❑ Dec 14 Goes to FPCC to approve selection of firm
- ❑ Dec. 18, 2007 or Jan 8. 2008 to BCC for approval of firm and agreement

Under section VIII. Qualification Format and Content delete any reference to fee schedules or hourly rates as being required submittals with the RFQ response. Pricing information will be negotiated with the top candidate. If the Truckee River Flood Management Department is unable to negotiate an acceptable fee schedule for the scope of work agreed upon, right is reserved to negotiate with the next top applicant and so forth until an agreement is reached.

Also under section VIII, revise the due date for RFQ proposals to the close of business, 5:00 p.m. PST, on Thursday, November 15, 2007

Finally, a number of questions and answers have been submitted. It is the intent of the Truckee River Flood Management to issue a question and answer document through the Washoe County Purchasing Department early the week of November 5th.

There are no other changes to the Request for Qualifications at this time.
